

Creation Collage

For this project, you will need to select a verse from Genesis Chapter 1 or 2 and design a collage illustrating this verse. You will be given 1 large piece of construction paper and a 4" x 5 ½" piece of construction paper. Carefully copy the scripture verse onto the smaller piece, including the correct citation (Example- Genesis 1: 14). Carefully cut pictures from magazines and arrange them in a creative design to form your collage. Glue your pictures with a glue stick. Cover your large piece of construction paper with collage pictures.
